Port Chester Camp 2023

Counselor in Training

Application part 2

Please list work experience and extracurricular activities you have been a part of.

What do you think will be your greatest challenge(s) in working with children?

What skills, attitudes or experiences will you bring to our CIT program?

The CIT application serves two purposes:

1. Provides us insight as to why you want to be a CIT and highlights experience you may have.
2. Helps to determine if the CIT program is a good fit for both of us since we accept a limited number of CITs; not all applicants will receive a position.

Interviews will be scheduled at a later date

Being a Port Chester Camps CIT is a unique opportunity – it includes more privileges than campers have and more responsibilities! We hope you will be part of our 2023 CIT group!

CITs will be an important part of our camp community and will be role models for young campers
